

Academics

- *Admissions Requirements*
 - 3.0 minimum GPA (will consider slightly lower with strong home campus support, but never lower than 2.75)
 - Sophomore status + (most students are in junior year)
 - Faculty recommendation letter
- *Program Academics (information up to date as of Fall 2016)*
 - Not all departments require that students have completed 3 - 4 courses in the subject area, but it's a good way to determine if a student has met the required prerequisites and is adequately prepared for the course.
 - Typical class load = 3-4 classes/60-70 Aberdeen credits. The program recommends students aim for 60 credits.
 - As of Fall 2016, the minimum # of credits is 46 for exchange students. This number is set by immigration and may not be a precise number that can be reached with Aberdeen courses that are typically 15, 20 and 30 credit points. (10 credit point courses are offered in Engineering)
 - 75 credit points is an option within reach for many students; 90 is the maximum allowed by Aberdeen per semester.
 - Alma course credit equivalency is determined by Department Chairs.
 - Courses with the second number "0" are offered first semester; those with a "5" as their second number are offered second semester.
 - The list of available courses for the academic year is updated every May.
 - Fall: Students fulfill "S" course requirement
 - Winter: Student fulfills "S" course *spring term* requirement because it runs through May. Students must confirm this with Registrar upon publication of program dates.

Housing

- Students apply online for housing once they are accepted to the program. The housing assignment will be released approximately one month before departure.
- Hillhead Hall of Residence has been recommended by many previous students, and is a 15 minute walk from campus
- City buses run regularly to most halls

 - University housing does not provide linens, towels or pillows. Students need to bring these with them or purchase them upon arrival.
 - If self-catered housing is selected, the university will provide instructions for purchasing utensils and cookware.
